SIR:

Responsive to the Official Action dated September 17, 2001, Applicants elect Group I, Claims 1-11, with traverse. In addition, Applicants elect, also with traverse, the following species for search purposes: (1) filler material: silicate or silicic acid and/or carbon black; (2) article or apparatus: stationary bed; and (3) organic compound: oil (light oil and heavy oil).

Claims 1-23 read on the elected species.
